

Little Stars Pre-School

Enrol for September 2010 on OPEN DAY At Little Stars Pre-School

Little Stars Pre-School based in North Harrow are holding an Open day for new parents to drop in on Friday 28th May between 10am to 2pm for September 2010 intake.

Little Stars Pre-School have some vacancies now available for the new September 2010 term for morning and afternoon sessions. Children from as young as two year olds can make a start into the Pre-School environment gaining independence quickly with a routine developed. Parents who have a three or four year old child born before **31st August 2007** would also be eligible for Nursery education grants for the Autumn term of 2010 helping them towards the costs of the placements processed on their behalf. Parents can take advantage of increased funding available for up to 15 hours/week for a child who is eligible with over 80%-90% of fees funded for afternoon sessions.

Little Stars Pre-School invite parents who have a child approaching their 2nd and 3rd Birthday in the next few months to come and look around, chat to the Group Leaders Kirti and Dina and if interested, register their child on the day since securing a place in advance is highly advised to avoid disappointment later on. Children at the age of two years need to get into a routine and start sharing with other children and learn basic social skills also with learning and development occurring in stages. Sessions highly recommended for children aged 2 years but under 3 years are 9am to 12 noon since with a combination of home and Nursery environment – the child can easily adjust to a routine and at the same time give the mums a break! The Pre-School will also have full days for those working parents too.

The whole unit at Little Stars Pre-School operates like one big family with the Pre-School Curriculum covering all the EYFS - Foundation Stages – Personal, Social & Emotional Development, Communication Language & Literacy, Problem Solving & Numeracy, Knowledge and Understanding of the world, Creative Development & Physical Development which are all learnt through play in a structured & informal surrounding and which are also taught in the Reception Primary School Year.

Little Stars Pre-School now also have an Early Years Professional (EYPS) led by Miss Dina Sutaria within the setting to implement new practices of a high standard.

Little Stars Pre-School works in Partnership with Pre-School Learning Alliance Group and is also affiliated to Harrow Early Years Childcare and Parenting.

The Open Day is held on Friday 28th May 2010 10AM TO 2PM ONLY at Headstone Lawn Tennis Club, Hillfield Close (off Woodberry Avenue) North Harrow, Middx HA2 6AX. To confirm attendance, please telephone the Pre-School office on 020 8933 7422 or 07770 962 520 Current term information valid to July 2010 is also available on the website <http://www.littlestarspreschool.co.uk>
