**Little Stars Pre-School based in North Harrow are back in action after the Summer break with a new opening of breakfast club commencing at 08:30am to accommodate children being dropped early and giving an added flexibility to working parents.**

There are still some vacancies available for afternoon sessions starting at 12:30pm and finishing at 3:30pm at cost of only £60/per week. Parents can take advantage of increased funding available for up to 15 hours/week for a child who is eligible. Those children who are born before 31st December 2007 would be eligible from Spring 2011 term which commences in January 2011. Little Stars Pre-school operate the funding scheme by providing three hours funding per day for five days a week with additional services as a private pre-school provider. Registering your child early to secure a place is recommended with limited intakes.

Little Stars Pre-School also invite parents who have a child approaching their 2nd and 3rd Birthday in the next few months to come and look around, chat to the Group Leaders

Kirti and Dina and look at the new developments introduced such as Every Child a Talker (ECAT) and Reading Connects programme. Additionally the Pre-School now has an EYPS –Early Years Professional

Leader delivering a high quality learning environment. Securing a place in advance is highly recommended to avoid disappointment later on as places for September 2011

will be limited if you wait for your child to be two or three years old. With a combination of home and

Nursery environment – the child can easily adjust to a routine and at the same time give mums a break!

The whole unit at Little Stars Pre-School operates like one big family with the Pre-School Curriculum covering all the EYFS - Foundation Stages –Personal, Social & Emotional Development, Communication Language & Literacy, Problem Solving & Numeracy, Knowledge and Understanding of the world, Creative Development & Physical Development which are all learnt through play in a structured & informal surrounding and which are also taught in the Reception Primary School Year.
